ASSIGNMENT OF PATENT PROPERTIES

THIS AGREEMENT is made by Jillianne M. Pierce ("Pierce") and Crescent & Willow, LLC, ("Crescent"), an Oregon limited liability company, both of Lake Oswego, Oregon, and David W. Landis ("Landis") and Access International Inc. ("Access"), both of Portland, Oregon.

WHEREAS, Pierce is the owner of record of the patent properties listed in the accompanying Schedule;

WHEREAS, Pierce has designed and/or developed certain candle-related products, including products referred to as CANDLE WAND, CANDLE WIZARD and WICKAMAJIG;

WHEREAS, Crescent is indebted to Landis and Pierce has pledged her interest in the patent properties as collateral for the loan;

WHEREAS, Access is desirous of acquiring the entire right, title, and interest in and to the patent properties; and

WHEREAS, Landis is willing to accept assignment of the patent properties to Access in satisfaction of the debt owed by Crescent;

NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

1. Pierce hereby assigns and transfers to Access her entire legal and equitable right, title, and interest for the territory of the United States of America, and for all foreign countries, in and to the invention described and claimed in the patent properties; said invention, the patent properties, any Letters Patent of this or any foreign country issued pursuant to the patent properties, and all divisions, continuations, reissues, and extensions thereof, to be held and enjoyed by Access for its own use and behalf, and for its successors and assigns, to the full end of the term for which Letters Patent may be granted in this or any foreign country, as fully and entirely as the same would have been held by Pierce had this assignment and sale not been made, and Pierce warrants that she has full right to do so, and agrees that she shall communicate to Access, or its successors and assigns, any facts known to her respecting said

invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful declarations, and generally do everything possible to aid Access, its successors and assigns, to obtain and enforce proper patent protection for said invention in this or any foreign country.

2. Pierce warrants that she has not entered into any agreement that is inconsistent with her obligations under paragraph 1, or would in any way prevent Access from acquiring the entire right, title and interest in the patent properties, free of all encumbrances and claims.

3. Pierce warrants that she has not filed, or caused to be filed, any United States, foreign or International patent applications describing, disclosing or claiming the CANDLE WAND, CANDLE WIZARD or WICKAMAJIG products other than the applications included in the patent properties.

4. Pierce warrants that, to the best of her knowledge and belief, U.S. Patent Application No. 10/540,340 filed June 20, 2005 is pending before the Patent and Trademark Office and that, as of the date of this Agreement, no outstanding action of the Patent and Trademark Office requires a reply less than one month after the date of this Agreement.

5. Pierce warrants that she has not filed, or caused to be filed, in the United States any division, continuation or continuation-in-part of any application included in the patent properties except as follows:

<u>Number</u>	<u>Filing Date</u>
---------------	--------------------

None

6. Pierce and Crescent agree to deliver to Landis, or his designee, all documents and papers in their possession or control relating to the patent properties.

7. Subject to execution and delivery of this Agreement by Pierce and Crescent, Landis and Access release and discharge Pierce and Crescent from all debts and other obligations that are

owed by Pierce or Crescent to Landis or Access and that arose
prior to the date of this Agreement.
